Account Update

The patient reviewed the charges listed on the April 19, 2026 billing statement and believes the visit charge and facility fee are correct.

An insurance explanation of benefits was received on April 18, 2026 from Garden Shield Health Plan. The explanation shows patient responsibility in the amount of \$82.40 after insurance processing.

The patient cannot afford the full balance in one payment and is requesting a monthly payment plan. The patient states an affordable amount would be \$20.60 per month over four months.

A financial assistance screening was completed on April 19, 2026. Based on the information currently on file, the patient does not appear to qualify for the available charity-care discount.

Requested Billing Follow-Up

Review the account for payment-plan setup before the June 19, 2026 due date.
