Notice Summary

Your financial aid application has been selected for routine verification. Before aid can be finalized, the Financial Aid Office must receive copies of the requested documents listed below.

The missing items are a signed household size statement, a 2024 tax return or tax transcript, and proof of identity. If the documents are not received by May 12, 2026, your grant and loan disbursement may be delayed.

This notice does not cancel your aid today, but it does require follow-up within the next few weeks so your tuition balance and enrollment plans stay on track.
